**RE:** IB Docket Nos. 02-324, 96-261; Public Notice DA 04-2832 (released August 31, 2004)

Dear Ms. Dortch:

Sprint Corporation ("Sprint") hereby provides a clarification to the certification it provided on September 28 as requested in the above-referenced Public Notice.

Sprint certifies it has entered into a benchmark-compliant agreement with a carrier with market power for each of the routes listed in its September 28 letter, wherein Sprint certified that it currently terminates traffic on such routes at rates that are at or below the benchmarks established by the Commission in its Report and Order in IB Docket No. 96-261, FCC 97-280 (released Aug. 18, 1997).

In addition, Sprint hereby certifies it has entered into a benchmark-compliant agreement with a carrier for market power for termination of international traffic in India, and that Sprint currently terminates traffic on the U.S.-India route at rates that are at or below the benchmark.

Sincerely,

A handwritten signature in black ink, appearing to read "David A. Nall", written in a cursive style.
